# Indigenous Solutions Group is proudly Majority Aboriginal Owned

Community engagement and sustainability are essential cornerstones of any successful project. Together, let's build a future where projects thrive and communities flourish.

**“A passion for innovation and success drives us, delivering results that positively reshape the landscape of our community”**

We understand the importance of listening to Indigenous voices and help deliver positive and constructive Indigenous engagement outcomes for large-scale mining and infrastructure projects.

Our collaborative advisory approach is based on the highly successful business model developed by our key strategic partner, Strategic Solutions Group. Together, we add significant value to your project by harnessing the expertise of talented, innovative, ‘nuts-and-bolts’ people with proven project consultancy experience.

**“We not only assist clients’ to deliver successful projects, we set the stage for their sustained success”**

## OUR KEY STRATEGIC PARTNER IS:

**STRATEGIC  
SOLUTIONS  
GROUP**

# Our culturally appropriate engagement optimises productivity

ISG embed seamlessly into your project team, sharing transformative access to our culturally appropriate Aboriginal consultation processes. Our Indigenous Directors bring a unique diversity of experience to the table. With vast expertise across both the private and public sectors, the ability of ISG to develop and deliver culturally inclusive participation strategies is proven.

**“ISG is uniquely positioned to build mutually beneficial relationships with other Indigenous owned businesses and stakeholders”**

**“Much more than advisors, we're your partner in achieving project excellence”**

# OUR KEY SERVICES

## COMMERCIAL MANAGEMENT & TRANSACTION SERVICES

For commercial risk management in large-scale construction projects, our pragmatic, collaborative approach ensures early issue detection and prevention.

## PROJECT DELIVERY & DEVELOPMENT SERVICES

ISG excel at providing strategic insights for planning and program execution. We deliver a range of solutions for optimised project delivery in the construction sector.

## DESIGN MANAGEMENT & VALUE ENGINEERING

ISG deliver innovative design solutions for high-impact projects. For seamless program delivery and approvals, we focus on optimising both design and project performance.

## COMMUNITY ENGAGEMENT & SUSTAINABILITY

We empower projects with culturally safe and inclusive practices. ISG is dedicated to fostering community engagement and sustainability as integral components to every project's success.

## VERIFICATION & CONSTRUCTION SERVICES

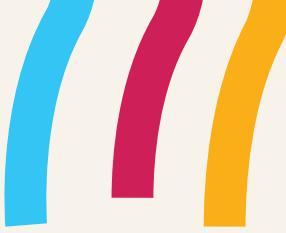

Ensuring your projects meet deadlines and budgets, ISG specialises in enabling compliance, constructability, and seamless project delivery.

## PROJECT COMPLETIONS & HANDOVERS

The experience and expertise of Indigenous Solutions Group ensures flawless project conclusion, seamless completion transition, and trouble-free handovers.

# Our team

There's no substitute for experience. When you engage Indigenous Solutions Group, you're adding unparalleled depth to your own project team, leading to optimal project outcomes.
