

## **Start Up Business IT Package – Delivered by an **Aboriginal-led ICT provider** | Perth**

Get your business online, secure, and ready to grow. We handle domains, email, devices, websites and training so you can focus on customers.

What's included (Core Package)

- **Business email setup** — professional addresses on your domain and device configuration (Outlook / mobile).
- **Domain registration** — secure your [www.mycompany.com.au](http://www.mycompany.com.au)
- **Business website** — mobile-friendly 3–5 page site with contact form and basic SEO.
- **Document system** — OneDrive / SharePoint or Google Workspace setup, folder structure and permission controls.
- **Device procurement & setup** — help choosing laptops/desktops, full setup, OS updates and Office apps.
- **Endpoint security** — antivirus, disk encryption and secure baseline configuration.
- **Basic IT training** — practical user training for staff (email, file sharing, security basics).
- **Handover & support** — documentation, backups configured, 30 days post-deployment support.

Optional Add-ons

- Managed Microsoft 365 or Google Workspace licensing and migration
- Website hosting and monthly maintenance plans
- Multi-site Wi-Fi design and UniFi deployments
- Managed backups and disaster recovery plans
- Ongoing monthly IT support and patch management

Why choose us

- **Local & trusted** — based in Perth with hands-on service.
- **Aboriginal-led** — committed to community and culturally aware service.
- **End-to-end** — from domain to devices, we deliver a complete, secure IT foundation.
- **Clear pricing & training** — no surprises; easy-to-use systems and we train your team.

**Price on request — tailored quotes provided after a short discovery call. Next steps**

1. Tell us your preferred domain and estimated number of users/devices.
2. We send a clear, tailored quote and timeline.
3. On approval we schedule setup, training and handover.
